

PAN·AFRICA
THEOLOGICAL SEMINARY

Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers, to equip his people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.

Then we will no longer be infants, tossed back and forth by the waves, and blown here and there by every wind of teaching and by the cunning and craftiness of people in their deceitful scheming.

(Eph. 4:11-14)

Every wind of doctrine is sweeping across the great African continent. We need trained pastors who can build the body of Christ to reach unity in the faith that will help the Church to withstand the false teaching and error so many believers hear on a regular basis. A healthy, well-trained pastor means a healthy church. A healthy church helps to bring healthy communities.

The photo below shows 19 students who are now enrolled for the current term in East Africa. These are the gate keepers for the national churches they represent. They train the trainers for our established training centers across East Africa. This is a primary way we are able to address the abuses and false doctrine that currently run rampant in Africa. These faithful men and women take the things they hear and learn, and commit them to other faithful men and women who also train others.

East Africa PATHS Cohort

Please keep PATHS administration, faculty, and students in your prayers. We are all committed together to change the spiritual landscape of a continent. The enemy's aim is to steal, kill, and destroy. Your prayers are vitally important to combat the enemy's plan and sustain this work. Thank you for everything you do, both in prayer and in finance, to enable this vital training ministry to equip and train a generation of believers who will in turn build His church.

Sincerely,
Bill & Judy Kirsch
