One of the graduates pictured below recently wrote to us:

My learning at PAtHS has sharpened my focus in three major areas of my Christian life and ministry: 1) that Spirit-empowerment is for the purpose of mission and not for personal power; 2) that leadership in the kingdom of God is service and not lording over people; and 3) that adult education must constantly be linked to real-life situations beyond the classroom. In my personal ministry context, number 3 means integrating missions practically into theological education.

I extend sincere thanks and appreciation to you, our dear brothers and sisters, for helping to take our ministry to a higher level to the glory of God.

The old adage, "Give a man a fish, and you feed him for a day; teach a man to fish and you feed him for a lifetime" rings true. Through training the trainers for our schools across Africa, we are increasing the capacity of the African church to lead well, transform communities, and bring redemptive lift.

Graduation November 2019

Thanks so very much for the support that makes discipling and training these students possible.

After seven years without a furlough, we will begin a time of deputation in March. We would love to come and share with your church what God is doing in Africa today. The quickest way to contact us is to go to www.billkirsch.com and use the 'Contact' page.

Sincerely,
Bill & Judy Kirsch
