It Is Finished!

Recently we received 21 pallets of books at Africa's Hope. These were printed in Belarus, a landlocked country bordered by Russia, Ukraine, Poland, Lithuania and Latvia. Why Belarus? We get the best printing for the best price there. Think of that... a former communist bloc country printing training materials for pastors in Africa! Hallelujah!!

These 21 pallets of books and training materials will be distributed all over Africa for training pastors and lay leaders for ministry. Among those pallets was one in particular I was happy to see. It is my book, *Foundations of Leadership: A Christian Approach*. This is a diploma-level Bible school course that has been added to the Discovery Series curriculum produced by Africa's Hope. This text of basic biblical leadership principles will be used to teach students studying in Bible schools across the continent of Africa.

In the photo to the right, I am holding three of my books while leaning on the entire pallet. The scripture on the left is so true. There were many times I felt like giving up on this project. But perseverance won the day, and the book is complete. Now this book will be used for years to come. Combined with the other texts in the Discovery Series, it will reap a great harvest of trained leaders for the rapidly growing church in Africa.

Thank you so very much for your faithful support of our work. If it were not for you, this book would not have been possible. Your partnership in this strategic Great Commission ministry of raising up leaders for the great soul harvest in Africa is what makes victories like this possible. Thank you so very much!

Sincerely,
Bill & Judy Kirsch
