THEOLOGICAL SEMINARY

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.

Summer/Fall 2021

This summer has passed quickly. July was a special month. I was in Togo all month leading a PATHS session. We had two cohorts on campus... our 2018 cohort that will finish their course work next year, and a new 2021 cohort.

New students began four courses including orientation, Bible, leadership and missions. They will finish these courses online during the coming months. This is a great group of students. One of them gave a testimony of how God led him to plant 50 churches. I will share that in an upcoming newsletter.

PATHS 2021 Cohort – 5 from Ghana, 3 from Ethiopia and 1 USA Missionary

Please pray with us. While we accepted 21 students into the 2021 West Africa cohort, only 9 were able to attend. COVID was the major barrier for many who could not travel, but others faced issues ranging from the death of a spouse to ministry challenges in their home country. Please pray that the path will be clear for those who were not able to attend to come for our next intake of students.

Thank you seems inadequate to express our heartfelt appreciation for your prayers and financial support. We are continually overwhelmed by your generosity!

Sincerely,
Bill & Judy Kirsch
